

HIDDEN RIVER MANUFACTURING HO KIT PRICE SHEET 3

HRMLaserModels@GMail.com

I model kits from Wisconsin and mostly the North Central region where I live.

If you are looking for a particular model and have plans, photos, dimensions, a sketch, a vision; e-mail me and we can discuss. If it would make a good kit, the price will be less than a one of a kind model.

Thanks for checking out my site. Always a work in progress.

Models in HO scale - Pre-built models 2.5x Kit price

I also offer to build and paint a kit for you if you don't trust your skill level. I will use the paint colors as close to the railroad color unless you want something different. I only use rattle-can spray paints so you must specify the colors per paint number on the cans if it not my standard colors. The price for building a kit is 2.5 times the price of the kit. So a \$100 kit would cost \$250 total for the kit and the build.
